

Wash off the everyday dust and immerse yourself in the **ART** of rural living.

Welcome to the **CLEVEDON ART TRAIL**, a self-drive exploration of authentic rural NZ right on Auckland's southern doorstep.

35 minutes from the CBD and 25 minutes from the international airport, this offers an ideal destination for a country drive or relaxed weekend away.

Clevedon is renowned for its vibrant Country Markets, A. & P. Show, Summer Jazz Festival and Polo. **Now local Artists are opening their studio doors.**

Meander the **ART TRAIL**, talk to the artists, maybe even purchase something special.

Check out the annual **ANNIVERSARY WEEKEND** trail-wide **OPEN STUDIO EVENT**. This is **ART** in action, demonstrations, workshops and exhibitions. Be inspired and hanker to return.
